COURSE DESCRIPTION:

Media Design 10 (open to grade 9 and grade 10 students) is a course designed to provide students with the fundamentals, knowledge and skills to explore personal design choices through the appropriate tools and technology. Students will study and consider the impact that design can have on social, ethical and sustainability issues.

LEARNING ACTIVITIES:

Students learn through planning, participating, and creating projects using the various software and tools provided in this course. Each unit will be comprised of the delivery of information, group learning, in class exercises and small assignments to prepare students for their final projects. In-class attendance is crucial and self-discovery and sharing of knowledge amongst classmates is expected.

ASSESSMENT	A	B	C+	C	C-	I-F*
	86-100%	73-85%	67-72%	60-66%	50-59%	0-49%
	Excellent	Very Good	Good	Satisfactory	Minimal	Incomplete

Grade 9 students receive a letter grade on all formal reports. Grade 10 students receive letter grades and percentages. *Incomplete and missing work may result in a mark below a C- or 50%. In the first two terms, students will therefore receive an 'I' on their formal reports which will change to failing mark at the end of the year if the work remains incomplete.

POLICIES & PROCEDURES

In addition to following the Windsor Technology Agreement as outlined in the agenda book, students are expected to meet and respect the following expectations in class:

- >Food, drinks and gum are NOT permitted in the computer labs (water in a sealed water bottle/container is the only exception.)
- >Cellphones can be a fantastic educational tool and all of those applications are accessible on the desktop computer you will be using! Therefore, no cellphones are required nor permitted during class. Please put your phone in the pocket system in the classroom to help you remain focused, present and mindful:)
- >Keep your Internet use professional. Facebook, twitter, youtube and other personal uses of the Internet is NOT permitted during class (ask if you are unsure). Feel free to log into your preferred music streaming account however, to listen to music while you work. Don't forget your ear/head phones!
- >Please notify the teacher immediately if the equipment/furniture/materials are not working properly.
- >Keep your computer station clean at all times for your own sake as well as the students who use your station in another class!
- >Do NOT forget to log out!! Find a system that helps you remember your log-in information, then be sure to save all work to your **home drive** (not to the desktop or documents) and log out when you are finished to keep your account safe.
- >Attendance: Homework is not assigned in this class (YOU. ARE. WELCOME.). This means that attendance is crucial for success since class time, is the right time, to do your work. If this is a concern for your learning style, please let me know sooner than later! It is your responsibility to make up for missed work during lunch or after school. ←

TEACHER INFO

FYI: With a part-time schedule and teaching in multiple rooms, email is the best way to get in touch, or you may find me in the teacher prep space on the 200 level. ALSO, I will be going on Maternity Leave in October. Please know that class content is subject to change according to the new teacher's discretion.
